Hello!

It is hard to believe we turn the calendar to September tomorrow and fall is slowly making its way back to Wausau! You are receiving this letter because we would like to invite you to participate in some of the events Wausau Events hosts in the River District - **Harvest Fest (October 6) and Winter Fest (January 26)!**

We are excited to once again partner with you to bring people downtown this fall and winter!

Wausau Events will host activities on the 400 Block and interested businesses would host an activity that will be featured on the official event map. We will promote the event on social media, radio and in print ads. Please consider joining us for either event or both by signing up to host a free activity for attendees!

Harvest Fest includes a pumpkin patch, kid's tractor pedal pull, horse-drawn carriage rides, live animals, photo booth, face painting and more!

Winter Fest includes a snow slide, face painting, ice skating, mac & cheese tasting, curling and more!

What can you do? Consider a fun craft, game or activity with a fall theme! Have an idea but not sure if it will work? Contact me and we can talk it through!

Please fill out the attached form and return by September 20, 2018 to be included in the official map for Harvest Fest or by January 9, 2019 to be included in the official map for Winter Fest.

Thank you in advance for your consideration!
